Schedule for the day

Introduction

09:30am - 09:40am

Liverpool In Work

09:40am – 10:00am

Liverpool in Work staff work across the city and provide a wide range of advice and guidance for local people. All aspects of finding work, training, volunteering and providing access to the latest vacancies are available with Liverpool in Work.

Find out more about Liverpool in Work on their website <http://www.liverpoolinwork.co.uk/>

United Response

10:05am – 10:25am

United Response support adults and young people with disabilities to live the life they choose. That includes people with learning disabilities, physical disabilities, autism and mental health support needs. United Response can help with things like day-to-day living, finding a house or a job, education, and activities in your local community.

United Response have a variety of roles available which you can access via the following link <https://www.unitedresponse-jobs.org.uk/>

Find out more about United Response on their website <https://www.unitedresponse.org.uk/>

Alternative Futures Group

10:30am – 10:50am

Alternative Futures Group provide support in a variety of ways through supported living and community outreach services, independent hospitals, complex care support, individual budgets, personal budgets, and direct payments.

Alternative Futures Group have a variety of support worker roles currently available which you can view on the following link https://isw.changeworknow.co.uk/alternative_futures/vms/e/careers/search/edit

Find out more about AFG on their website <https://afgroup.org.uk/>

Options for Supported Living

10:55am – 11:15am

Options is a local organisation existing to support, empower and enable people with disabilities to live their lives to the full. Options support children and adults with learning disabilities, autism and acquired brain injury across Merseyside and the surrounding areas. Support is provided at home with everyday tasks and outreach is also available which covers things such as helping with the service user's social life and exploring hobbies and interests.

Options have multiple support workers roles available which you can view on the following link <https://www.optionsforsupportedliving.org/join-us/current-vacancies>

Find out more about Options for Supported Living on their website <https://www.optionsforsupportedliving.org/>

Caremark Liverpool

11:20am – 11:40am

Caremark Liverpool we have made it our mission to provide the highest quality care and support. We are passionate about the care we provide and will ensure that our support is always at hand.

Our friendly services enable you to remain in the comfort and familiarity of your own home. You will receive regular social care visits and services to suit your personal needs.

Find out more about Caremark Liverpool on their website <https://www.caremark.co.uk/locations/liverpool>

Mediline Supported Living

12:10pm – 12:30pm

Mediline Supported Living offer a broad range of care and support services to a diverse group of people who need additional support to live in the community. Services are delivered to people with a wide range of care and support needs, including: Learning Disabilities, Physical Disabilities, Mental Health Needs, Acquired Brain Injury, Autistic Spectrum Disorders, Substance Misuse, Frail and Elderly, Dual diagnosis and/or complex needs. Services include Supported Living, Supported Employment, Outreach, Homecare and Training.

Mediline have a variety of roles available which you can access via the following link
<http://www.northwestcommunityservices.co.uk/joinourteam.html>

Find out more about Mediline on their website <http://www.northwestcommunityservices.co.uk/>

Autism Initiatives

12:35pm – 12:55pm

Autism Initiatives started in the 1970s with a school, now they have one stop shops, supported living services, social enterprises, resource centres and much more. The range of autism services they provide are all person-led as no two people with autism are the same. They have two residential homes for children with autism, located in Southport, providing packages of care and support, accessing community based activities to enhance their experience. Autism Initiatives offer outreach services which include support to and from day opportunities such as work/ school, support with daily living skills and much more. The resource centres provide personalised opportunities to help build self-esteem/ hobbies to employment skills.

Autism Initiatives have a variety of roles available which you can access via the following link

Find out more about Home Instead on their website <https://www.homeinstead.co.uk/>

Liverpool Social Care Partnership CIC

13:25pm – 13:45pm

Liverpool Social Care partnership are hosting the event but will also be here to discuss our free, pre-employment training programme for social care which will prepare you to work with people who need care or support to live their lives. During the programme you will learn about possible roles, your responsibilities and duty of care. You will find out how to keep people safe and ways of developing good working relationships including how to communicate well and handle sensitive information. You will also complete an employability qualification and other specialist training such as first aid, health and safety and food safety. At the end of your programme you will receive support on completing application forms and interview skills in preparation for your guaranteed job interviews.
